BELLEVUE ARTS MUSEUM

PRIVATE EVENTS GUIDE 2024

GREAT LOCATION

Located in the vibrant heart of downtown Bellevue, BAM is just steps away from top-rated restaurants, world-class shopping, and luxurious hotels. Our prime location is easily accessible from Seattle and the greater Eastside.

DYNAMIC ARCHITECTURE

Architect Steven Holl made extensive use of glass, terraces, and skylights in his investigation of light, creating a structure that is an artwork in its own right, and dynamic, versatile spaces that feel both intimate and grand.

Whether you're looking for a rooftop cocktail experience, an awards dinner venue, or a private meeting space, our modern architecture ensures a memorable event.

COMMUNITY CONTRIBUTION

Choosing BAM as your event venue does more than provide a great experience for your guests. The funds generated from your event support our mission of community development by bringing art and education to the Eastside.

BAM is currently closed to the public as we focus on restructuring to become a more vibrant place than ever before. Private events will continue, with more activities planned later this year.
