

# Drawing with Knives: A Workshop with Amy Oates

## Supply List

Students should bring:

- X-Acto knives or other cutting tools, extra blades
- Cutting mat (8.5"x11" or larger)
- Paper - both practice and one or two sheets of decent paper (e.g. white and a contrasting color could be nice to create a finished two-layer piece, though not necessary)
- Pencils
- Aileen's tacky glue (for mistakes!)
- Source images for your designs. If you have magazines, these can be helpful for source images.

Questions? Contact the Learning & Public Programming Department at (425) 519-0793.
